Crete

Caracole

With a classic form inspired by an ancient Greek ceremonial vessel, this end of bed bench brings an exquisite mix of detail and materiality. Features a plush upholstered front and seat, embraced by a curved poplar frame in an Ivory Craze crackle finish. A Charred Bark finish on the cap rails and base adds depth and rich contrast, accentuated by a wood bead detail and tactile Brushed Gold brackets. Makes a luxe landing for bedrooms and dressing areas, or style in an entryway to make an unforgettable first impression.
