

This pub table features a solid wood top and a brown wood finish on select hardwoods that has a heavy, artistic distressing applied to it

The metal components are finished in aged iron

The top is finished with a durable clear coat for wear protection

The barrel includes wood staves and metal bands accentuated with decorative nail heads

An iron pipe footrest finished in an aged iron encircles the barrel at the base

Includes a hinged door with liquor and glassware storage on the backside and a large ring pull finished in aged iron

The barrel includes a generous amount of interior storage on the middle and bottom shelves for liquor, glassware, and other items

Furniture glides are provided on the base bottom

Complete the look with the Whiskey Barrel Bar Stool (697054), sold separately
