PRODUCT DESCRIPTION

Sleek and streamlined, this contemporary power reclining sectional loveseat with console is ready to sweep you off your feet. Its plush, divinely comfortable cushioning is wrapped in decadently soft leather and faux leather upholstery. The push of a button doubles your relaxation, reclining your body and adjusting your headrest to infinite positions. You can rearrange the sectional's pieces whenever you please, thanks to its versatile modular design. Pop-out cup holders and wireless charging complete the luxurious lounging experience.

- Includes 3 modular pieces: left-arm facing power recliner, console with storage and right-arm facing power recliner
- "Left-arm" and "right-arm" describe the position of the arm when you face the piece
- Versatile modular pieces fit together in a variety of configurations

- One-touch power control with adjustable positions, Easy View™ adjustable headrest and zero-draw USB-A and USB-C ports
- Zero-draw technology only consumes power when the USB receptacle is in use
- Extended ottoman for enhanced comfort
- Corner-blocked frame
- Attached cushions; high-quality foam cushions wrapped in poly fiber
- 100% top grain leather covers inside areas such as the back, seat and arm cushions; skillfully matched faux leather covers the remaining areas
- Due to its natural origin, real leather can show individual characteristics such as healed scars, growth marks, grain variation and shade variation
- Natural variations make each hide unique and do not detract from the wearing qualities of leather

- Power cord included; UL Listed
- Estimated Assembly Time: 10 Minutes
