Dimensions : 136.7 W X 83.8 D X 27.2 H

Colors : Taupe

Product Weight : 0

Product Cubic Feet : 168.09

Features

Grade A teak is uniform in color, finish, and hardness. Naturally high in oils, grade A teak protects itself better than a lesser grade teak wood.

Premium 100% solution dyed acrylic fabric cushions for superior outdoor performance.

Fabric is color fastness to artificial weathering, rubbing, chlorinated pool water, and sea water. The water, soil and stain repellent fabric is anti bacterial, anti mildew and UV resistant.

For a long life, covering your outdoor product or storing indoors when not in use is recommended. Over time, a silver patina emerges enhancing the natural characteristics of teak wood.

Quick-Dry cushions allowing for fast use after weather or cleaning.
