Clear tempered glass top  
Raffia, like all natural materials, has inherent disparities in color and weave pattern. Variations in shade and markings are normal and can be expected with the natural materials used in the construction of this product.  
Weight Capacity: 60 lbs  
For use as a console table or sofa table in a hallway, entryway or living room  
For cleaning Raffia, use a dry cloth or paint brush to remove dust. Raffia is a natural material that is inherently heat and humidity resistant. All our Raffia has a topcoat of clear lacquer to give added protection against stains, spills and fraying without removing the natural texture and feel of raffia. If any fraying occurs, just simply cut the portion of fray with scissors.
