STEWART COLLECTION

Stewart brings together the timeless character of an English country house with the ease of modern transitional style. Architectural details—rounded corner posts, softly molded edges, and delicately turned bun feet—create a sense of heritage reimagined. Constructed in acacia solids and veneers, the collection is finished in a warm Chestnut tone with a soft satin luster, accented by brushed brass hardware. Quiet luxury defines the aesthetic—tailored, understated, and enduringly classic. Acacia Solids & Veneers, Brushed Brass Hardware.
