Howell Dining Table Natural

Strength and subtlety meet in harmony with the Howell dining table. Its solid acacia tabletop features a live edge, with knots, whorls and grain serving as a glorious reminder of the wood's organic natural origins. An addition of grace comes from the two razor-thin legs, composed of sturdy dark iron. Whether you're looking for an industrial or contemporary piece, this table will be the perfect fit.

- Solid Acacia wood tabletop with a natural, water-based finish featuring a live edge
- Sturdy iron legs with a gunmetal finish
- Please note that no two items are alike, there will be a natural variation between each piece due to the wood's distinct character, grains & knots in each piece of wood
