OPTIONAL FINISH [*desks and credenzas*]

Each of these desks and credenzas makes an extraordinary design statement. Sensuous curves, unusual shapes, exotic materials and tasteful hardware make them stand out for both beauty and function. But what truly makes these works of art notable is that each is available in more than 50 finishes. Because each piece is finished by skilled artisans one at a time, it is possible to choose a different finish for the top and base. Several exquisite finishing techniques including gold and silver leafing, dry brushing, and hand waxing are additional options.
