Sunken Boat Oval Green Bowl

1200-0962

In Stock | New

Overall: 7.25"h x 18"w x 11"d

Finish: Moss Green

Materials: Ceramic

Item Weight: 16 lbs.

The Sunken Boat Oval Green Bowl is made of ceramic with a moss green glaze covering its exterior and pits in the surface. The result is a decorative bowl that feels as if it has been reclaimed from a sunken boat in the deep sea. All ruffles on this bowl are done by hand using the painstaking pinch method by a group of women artisans who live at the border of Burma and Thailand.
