Venetia Tray Black Marble

For when your “just set it down” deserves a better landing spot. The Venetia Tray is an elongated oval in solid Selwara black marble—classic, grounded, and quietly commanding on a coffee table or console. The shape feels timeless, while the natural stone brings subtle variation that keeps it from looking too perfect. Use it to organize candles and matches, gather everyday essentials, or serve as a low centerpiece that always looks intentional.

- Timeless Oval Form: A transitional elongated silhouette that reads calm and classic, adding structure to styling without stealing attention from your space.
- Selwara Black Marble: Solid natural marble delivers deep tone and one-of-a-kind veining, bringing contrast and depth to lighter surfaces and warm woods.
- Artisan-Made Character: Crafted to highlight the stone’s natural variation, so each tray has its own pattern while keeping the overall look cohesive.
