**Product Description:** Tactile metallic floral medallion door fronts with cane inserts in a rich earth tone color palette make the Emmett Console a striking and stylish focal point. Crafted of Oak Veneers and Cane, the Emmett is media ready, featuring a ventilated back panel, power supply and accommodating up to an 80-inch TV. Four wood-framed pieced cane doors with touch latches and soft-close hinges have 2 adjustable shelves behind each pair of doors and 2 utility drawers behind the doors on the left side.

**Collection Features:** Come closer to Melange, and you will discover something unexpected. An eclectic blending of colors, textures, and materials in a vibrant collection of one-of-a-kind artistic pieces, Melange is meant to inspire you and fuel an experience of self discovery, inspiring a renaissance in your home. Each piece of Melange has its own story. The designs are versatile and timeless, easily transcending from one life stage to the next, from home to home and generation to generation.

**Status:** Active

**Max TV Size:** 80" Flat Screen

**Finish:** Natural gray wood finish with metallic floral

**Material:** Oak Veneers, Resin and Cane

**Drawer Construction:** Hooker Furniture offers full height, full depth and full width drawers for maximum storage capacity. All drawers have strong, time-tested English or French dovetail construction, for years of problem-free use. Plywood drawer bottoms are attached to plywood drawer sides for strength and durability. Metal side guides or wood on wood guide systems operate smoothly.

**Finish Construction:** Hooker Furniture utilizes a multiple-step finish process of up to 16 finish steps. This results in an unsurpassed clarity, depth and color richness and durability to our finishes. Through hand-craftsmanship such as rubbing and padding, our finishes feel as good as they look, with a smoothness that is delightful to the touch.

**Frame Construction:** Hooker Furniture uses carefully chosen solid wood and select wood veneers over durable wood products in our furniture construction. Use of veneers enables more decorative looks unattainable with solid wood. Veneers are used over durable wood products such as medium density fiberboard (MDF) and particle board, made of renewable resources. MDF and particle board are used in quality furniture for areas that need to be stable, such as large surfaces. These durable wood products do not expand and contract with heat and cold and do not absorb moisture as much as solid wood, which results in stronger and longer-lasting furniture.
