## Colette Cabinet

3000-0297

*In Stock*

Overall: 60"w x 20"d x 36"h

Finish: Tawny Brown / Polished Brass / Mirror

Materials: Figured Eucalyptus / Stainless Steel / Glass

Item Weight: 234 lbs.

The Colette Cabinet is made of poplar wood that is covered in Eucalyptus veneers with a beautiful linear texture to them, heightened when finished in a tawny brown. Elevating the sophistication of the three-door cabinet is a high-gloss luster on the exterior. The luminous beveled mirror accents, which sit proud on the surface of the cabinet, are surrounded by stainless steel rings in a polished brass finish to match the ferrules on the legs.
