Teo Wall Sculpture Charcoal

Wall art, but make it dimensional. The Teo Wall Sculpture turns simple geometry into a modernist little conversation—rectilinear shapes meeting circles in a playful, balanced arrangement. The Charcoal Grey finish shifts from warm grey to near-black, adding depth without going heavy. Crafted with Ecomix over an MDF base, it's designed to feel graphic yet grounded. Hanging hardware is included, so it's ready to go from box to wall in one move.

- Graphic Geometry Mix: Rectilinear forms paired with circular shapes create a modernist composition that feels playful, structured, and easy to style in many rooms.
- Ecomix + MDF Build: Made with Ecomix—recycled paper, natural gum, and chalk powder—supported by an MDF base for a stable, dimensional wall piece.
- Hang-Ready Hardware: Includes hanging hardware for straightforward mounting, so you can place it above a console, in a hallway, or as part of a gallery wall.
