MOE'S

Moore Sofa Oat

Smaller scale, bigger impact—the Moore Sofa is made for secondary spaces and apartments that deserve comfort. Curved arms and a raised seat keep the profile light, while wide arms and removable cushions make lounging easy. Upholstered in an oatmeal polyester-linen blend with subtle beige flecks, it mixes warmth with adaptability. A fixed bench and supportive foam-and-fiber cushioning ensure Moore looks as good as it feels—day after day.

- Curved Ease: Rounded arms and a lifted seat create a softened silhouette, bringing approachable comfort and modern balance to compact spaces.
- Oatmeal Blend: A polyester-linen fabric flecked with beige adds warmth and texture while staying versatile enough for any palette.
- Everyday Support: Foam-and-fiber seat and back cushioning with a fixed bench combine softness with long-lasting structure.
- Smart Scale: Compact frame makes it ideal for apartments or secondary living rooms, offering design-forward comfort without overwhelming the space.
