## EDGE RECTANGULAR DINING TABLE

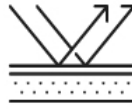

The Edge Dining Table is the main table in the Aspire collection. From the natural character of solid cherry wood to the precise shaping on the legs it captures the essence of the Aspire collection well. It is also a flexible choice as it extends from 74 inches without the leaves, to 94 inches with one, and 114 inches with both of the included leaves installed. Another key feature is that each Edge Rectangular Dining Table comes with an optional center leg that can be used for added strength when leaves at full extension. Finally, the table is finished our KinGuard performance finish. This involves a harder lacquer top-coat to ensure added protection against common spills.
