

The New Little Giants Washer & Dryer System

Miele Professional. Immer Besser.

40 Years of unmatched quality.

Miele's all-new Little Giants laundry system is the perfect solution for those who require a little more than just a laundry machine. The larger drum size now fits up to 18 lbs. capacity, matched with faster cycle times means that you can get more done in less time! Now featuring a button-free interface, the touch screen helps you to easily navigate and select the perfect wash program. As always, the Little Giants system provides a superior hygienic clean. In addition, the patented Honeycomb™ Drum cradles garments and fabrics while washing, ensuring a gentle and thorough clean.

German engineered with high performance heater elements, intelligent water intake controls and short cycle times, the Little Giants are the ultimate solution for high throughput laundry demands.
