Geologie Table Lamp

6000-0940

In Stock

Overall: 28"h x 16"dia.

Finish: Beige / Pale Gray / Brown / Antique Brass

Materials: Porcelain / Metal

Item Weight: 5 lbs.

Number of Lights: 1

Suggested Bulb: A Standard Bulb

Socket Type: E26

150/150

Cord: 6' Silver

Switch: 3-Way Turn Knob

Shade: Brown Natural Rope

Shade Dimensions: 15" x 16" x 10.5"h

The patterning on the surface of the Geologie Table Lamp takes great skill to create because it is glazed while it is on the wheel, which requires steady hand-eye coordination. Made of porcelain in a mix of beige, pale gray, and brown, the body of the lamp sits atop a metal base in an antique brass finish. A finial in the same finish fastens the textural shade to the lamp, which echoes the darker tones where the body meets the base.
