

SONY

SRS-ZR5

Wireless Speaker with Bluetooth®/Wi-Fi®

Set the tone at home with superb sound and multi-room streaming with the wireless Bluetooth® speaker that connects easily and offers amazing versatility.¹ Control everything with one app and wirelessly sync multiple speakers for rich, multi-room sound or powerful rear stereo surround sound. Even connect it directly to your TV with HDMI^{®5} and enjoy remarkable home theater audio.

Features

Stylish, beautiful sound

Experience amazing sound in a beautiful, compact design that will look great in any room in the house.

Easy streaming options with Wi-Fi, Bluetooth® and Google™ Cast

Easily stream music in the way that works for you. The ZR5 has many connectivity options, including Wi-Fi, Bluetooth^{®1} and Google™ Cast.²

Enjoy music throughout your home with Sony multi-room

Let the same great song follow you around the house with multi-room listening, controlled via the SongPal app.⁴ Use SongPal Link to group selected Sony soundbars and speakers together, then stream music from different music services, a smartphone, a PC, or your DLNA network in multiple rooms throughout your home.

Easily transform ZR5 wireless speakers into wireless surround speakers with compatible Sony Sound Bars

Pair two ZR5 speakers to a compatible Sony sound bar and enjoy a true wireless surround sound experience for all your movies and TV shows.

Connect two ZR5 speakers to your TV via HDMI⁵ (ARC) and enjoy your movies and TV shows with powerful, stereo sound.

Connect one ZR5 to a TV using the HDMI⁵ (ARC) connection. Then wirelessly add a second ZR5 speaker and enjoy your movies and TV shows with powerful, stereo sound.

Access and control your music with the SongPal app

Download the SongPal app for your smartphone or tablet and take control of your music collection.⁴ Simply connect over Bluetooth^{®1} or Wi-Fi and you'll have seamless access to all your favorite tracks, whether they're stored on your PC, server, or favorite online music service. The app can also be used to customize sound settings to ensure great, balanced audio and control multi-room listening.

Audio playback via USB

Connect a USB device to the USB port to enjoy Audio playback.³
