

True[®] REFRIGERATION BEVERAGE CENTER

24 Inch Beverage Center

The exceptional craftsmanship of True products is evident in the precise attention to detail and styling of the True Beverage Center. With True's exclusive balanced refrigeration system, you can set the temperature as low as 33°F, keeping your drinks icy cold. This exclusive technology also enables rapid cool down of beverages and maintains them at the perfect temperature so they are ready when you are.

EXCEPTIONAL FEATURES

Industry exclusive, 300-series stainless steel interior and exterior.
5.6 cubic feet of capacity.

Zero-clearance hinging allows for integrated installation.

Patented TruLumina[®] LED lighting gently illuminates your product and allows you to choose from 14 different color options with the push of a button.

Low-E, double pane, UV tinted glass.

True Precision Control[®] with steel touch technology and readout provides digital accuracy.

Balanced, forced-air refrigeration system enables rapid product pull down and even temperature throughout.

2 adjustable/removable stainless steel encapsulated glass shelves and 2 wine shelves will accommodate 13 bottles.

TrueFlex[®] shelving system allows convertibility to a refrigerator or a wine cabinet.

Star-K compliant.

Standard with lock.

UL rated for outdoor use.

NOTE: Overlay models have 300-series stainless steel interiors and black vinyl coated steel exteriors.
