**Detail:** Gaia Occasional Table Collection showcases an organic, inspired design and is fittingly named for the Greek goddess of Earth. Reminiscent of lily pads floating on a calm pond, Gaia's textured, softly curved Table Top style makes a curated and elemental design statement on a tapered columnar base. The base is weighted to support the cantilevered top, and is offered in Linen, Black, Storm and White finish options, making Gaia a natural and easy addition to club seating or sectional configurations.
