Bower Queen Bed Brown

Soft shape. Strong statement. Bower balances sculptural lines with tailored comfort. A cylindrical Acacia wood frame wraps its linen-blend headboard, with wood corner details that add structure and visual weight. The silhouette is generous and grounded—designed to anchor the room with ease. With its warm materials and refined form, this bed holds its space with quiet confidence and lasting style.

- Rounded Presence: A generous silhouette and cylindrical headboard frame give the bed standout presence, while linen-blend upholstery keeps the look warm, textured, and easygoing.
- Acacia Contrast: Solid acacia shapes the headboard frame and feet, bringing rich color, expressive grain, and grounded contrast to the upholstered front.
- Capped Corners: Rounded lines and solid wood capped corners sharpen the silhouette, turning the headboard into a focal point with crafted detail and mixed-material balance.
- Mattress-Ready Design: Includes a slat system that prevents sinking or shifting, eliminating the need for a box spring and working with adjustable base frames.
