

# VISIONS | 20 23

## **Milan Sofa Collection**

Bringing a contemporary and modern touch to decoration with its serene design style, Milan Sofa Collection which is added to the Enza Home 2023 Visions Collections brings together living spaces with a new generation of comfort with its layered seat filling and back cushions. It creates a calm and refined atmosphere with elegant design details.

Bringing the modern design style together with high comfort seating and ergonomic back cushions

Easy cleaning with high leg structure and original leg design

Providing freedom of movement thanks to rotating metal leg mechanism
