## Product Description

This Teak Side Table features artisan craftsmanship in 100% solid, plantation-grown teak. The naturally weather-resistant teak is smoothly sanded and may be oiled to preserve the warm look as shown, or allowed to weather naturally to a beautiful silvery gray patina. Hardware is zinc-coated steel that has been plated in brass. The zinc helps minimize corrosion, steel was chosen for strength and brass for its luster.

## Features

- Responsibly harvested solid plantation-grown teak. The teak plantation participates in a replenished forestry program and plants 1 tree for each tree that is harvested.
