Inspired by European farmhouses, the 6-drawer Ciao Bella Chest reflects a simpler lifestyle. The Time Worn gray finish with multi-layer rub-through makes the chest look like it is been passed down through generations. A pull-out garment rod on either side of the case just above the top drawer provides a convenient space to hang frequently-used items or to lay out your clothes for early-morning departures. There is a drop-in felt liner in the top drawer, and the bottom drawer is cedar lined. Burished brass hardware adds the finishing touch of style.
