Brand: Elements International

Collection Features: The Warner 5PC Platform Storage Bedroom Set gives your bedroom the warm and cozy look you are missing. This set includes a platform storage bed, chest, dresser, mirror and nightstand. With rich espresso knobs, clean lines and beautiful distressing throughout. The footboard has two storage drawers perfect for storing away your favorite blankets. The dresser and nightstand both offer plenty of storage space to accommodate all of your belongings. The bottom drawers of the case pieces feature a dust proofing layer to help protect your clothing.
