

PRODUCT HIGHLIGHTS

- Object-based formats like Dolby ATMOS and DTS:X technologies provide elevated sound in every direction.
- Sound is in sync with the action with Samsung Acoustic Beam.
- Music comes alive with your voice.
- The soundbar and TV sound sync together, creating a more immersive experience.

Soundbar Q70 is the perfect match for your QLED TV. Powerful speakers, firing from the front, side and above, deliver robust 3D surround sound for an immersive home theater experience.

KEY FEATURES

3D TRUE SURROUND SOUND

Pair the cinematic experience of a Samsung Q-Series soundbar with the incomparable picture quality of your QLED TV. With object-based formats like Dolby ATMOS and DTS:X technologies, individual sounds move independently of each other. Rich and captivating sounds wash over you from all directions, turning your living room into a theater. You not only hear the scene but you feel as if you are a part of it.

SAMSUNG ACOUSTIC BEAM

Delivers a panoramic audio experience with directional sound that makes it feel like you are part of the scene.

WORKS WITH ALEXA

Enjoy your soundbar hands-free using Alexa voice control.¹ Ask Alexa to play something by simply saying the title or a few lines of the song's lyrics.

Q-SYMPHONY

Innovative Samsung technology allows your Samsung TV and soundbar sound to synchronize together for a more immersive cinematic experience.²

ADAPTIVE SOUND

The soundbar automatically delivers optimized sound based on each scene and lets you hear voices clearly at low volumes.

GAME PRO MODE

Claim more glorious victories with rich directional sound that transports you to the center of the action. Your soundbar detects when you're gaming and automatically optimizes the sound in real time.³

CENTER CHANNEL SPEAKER

Never miss a word with a center speaker dedicated to delivering crystal-clear dialogue.

BLUETOOTH® TV CONNECTION

Connect to your TV without the hassle of cables via Bluetooth®.⁴

WIRELESS SURROUND SOUND-READY

Wirelessly connect to rear speakers for an enhanced cinematic experience.⁵

HDMI

HDMI ports connect all your inputs in one place for optimized sound quality. 1 HDMI in and 1 HDMI out.

¹An Amazon Echo Device is required to use this feature. Amazon, Alexa and all related logos are trademarks of Amazon.com, Inc., or its affiliates.

²Q-Symphony is compatible with 2020 Samsung QLED. For a complete list of compatible models, please refer to Samsung.com for more information.

³This feature is supported only when the game console is connected to select Samsung TVs via HDMI (all QLED TVs, RU7400 series, and above). Game consoles supported include PlayStation 4 and Xbox. Compatible TVs and game consoles may change. Visit Samsung.com for more information. ⁴Only available on select Samsung TVs. Visit Samsung.com for more information. ⁵Additional purchase of Samsung Wireless Rear Speaker Kit, SWA-9000S is necessary.
