## Harewood Console Table

2001

---

Overall: 36"h x 48"w x 20"d

Finish: Portland/Faux Bois

Materials: Concrete/Iron

Item Weight: 193 lb

Our Harewood Console Table is a commanding architectural element made of concrete over a wire frame. The stippling and gradation of the polished concrete finish brings the distressed table the feel of real stone. Place the concrete console table indoors or out, as this is one piece of furniture that will be highly durable.

We also offer the Harewood as a table/bench.
