MOE'S

June Ottoman Dark Brown

Meet June—the ottoman that refuses to be one thing. Designed as a modular component, it works as a free-standing piece, a sectional add-on, or an extra perch when seating gets competitive. Warm-toned upholstery pairs with oversized oak veneer legs for a grounded, modern profile. Inside, foam, feather, and fiber fill creates a pillow-like top, supported by a solid wood and plywood frame. Put your feet up, then move it again wherever the room needs it.

- Anything-But-Basic Shape: A clean, modern ottoman that can float in the room, extend a sectional, or step in as extra seating.
- Warm-Toned Upholstery: Covered in 100% polyester fabric in dark brown, offering an easygoing look that complements the oak veneer base nicely in any room.
- Solid Frame Support: A solid wood and plywood frame holds shape over time, paired with an oak veneer base and oversized legs for stability.
- Easy Extra Surface: The padded top is comfortable underfoot and handy as a spot for trays, books, or a casual perch.
