Overview

Thick-cut top-grain leather with a plump, pronounced grain is framed by almond-finished parawood with a splayed, angular look. Sourced from one of the oldest family-owned tanneries in Italy's Bassano del Grappa, our heirloom leather covering is salvaged and processed from upcycled hides featuring an abundance of natural markings, scars and color variations. The result? Beautifully supple, buttery soft hides with an unmatched depth of color and richness, and an authentic lived-in look.
