NOTES

Straight console features two cup holders

Handle-activated recline system on the side of both arms allows you to manually adjust between sitting and reclining

Pull-tufted, triple-divide back cushions support your back and have distinctive look

Rounded pad-over track arms enhance comfort and provide additional forearm support

Contoured seats with chaise pads for a comfortable, tailored look

Built to last with our DualFlex Spring System™—sturdy steel ribbons attached to flexible coils that offer a wide range of motion and durability

High-density cushions consist of a high-resiliency, high-density polyurethane foam core with a soft fiber wrap that ensures comfort as you sit and recline

Available in durable, cleanable performance fabrics that will withstand everyday use by an active family

Available in over 250 fabrics to suit any décor

Removable backs allow for easy lifting and maneuvering through doorways

Footrest easily lowers when you apply pressure in a downward motion

The power control allows you to independently adjust the recline, headrest, and lumbar support.

A separate home button returns the headrest, footrest, and lumbar support to their original positions with one touch.

A USB port is included on the power control for powering electronics.

Zero draw technology only uses power when the USB port is in use.

Power allows you to smoothly recline to any position.

A single USB port is included on each power button control on styles with arms.

The power control allows you to independently adjust the recline and headrest.

A separate home button returns the headrest and footrest to their original positions with one touch.
