Stearns & Foster® Memory Foam Pillow

with moisture-absorbing TENCEL™ cover

Sleep well with our new Stearns & Foster® premium memory foam pillow designed to move with you, not against you. Conforming memory foam continuously adapts to the shape of your head and neck, providing comfortable support throughout the night. The pillow is wrapped in a stretch-knit cover featuring TENCEL™ – a sustainably sourced fiber designed to help wick away moisture and keep you dry and comfortable throughout the night.

Supportive Comfort

High-quality conforming memory foam adapts to your unique shape and supports your head and neck for a comfortable night's sleep.

Moisture-Absorbing Cover

TENCEL™ stretch-knit cover helps absorb moisture to keep your body feeling pleasantly cool and dry.

Expanded Side Panel

Gusset side panel adds thickness, which helps to expand and give structure to your pillow, preventing it from flattening.

Easy Care

TENCEL™ stretch-knit cover is removable and machine washable for functional care.

Pillows are shipped in master carton case lot only. Quantity 4 per SKU.
