

PROFILE SERIES

PrULTIMA

Description

Leon's reference-grade PrUltima utilizes handmade 5" woven polypropylene woofers and world-class 1" cloth-dome tweeters to produce utterly transparent and brilliant sound with an incredibly flat frequency response. Designed from the ground up to offer a true window into the finest production studios in the world, the PrUltima recreates any soundscape with stunning authenticity—perfect for the most discriminating audiophile and music enthusiast.

Key Features

- Custom crafted to match the exact height and finish of any display
- Slim 3.75" design to ensure compatibility with flat-screen TVs
- Easily mounts to articulating TVs or to the wall with Leon's brackets
- Available as a stereo pair or multichannel speakers
- Solid MDF construction, handcrafted in the USA

Recommended Pairings: Vault vUltima, Aaros A10-UT
