# ORION II SECTIONAL BLACK

The Orion II Motion Sectional offers both power and non-power reclining options, providing a luxurious and versatile seating solution for any home. This collection includes a Left Arm Facing Sofa with 2 recliners, a Right Arm Facing Console Loveseat with 1 recliner, and a Wedge, all expertly crafted with premium hardwoods and high-quality manufactured wood for exceptional durability. The black upholstery, made from 80% polyester and 20% synthetic leather, offers a soft and breathable feel. Whether you choose the power reclining mechanisms, which support up to 350 pounds and include adjustable headrests and footrests, or the non-power option, you can effortlessly find your perfect relaxation position. Additional features include high-density foam cushions wrapped in Dacron for plush seating, white contrast stitching for a sleek look, and ample storage options with lift-up pillowed arms, cupholders, snack trays, and storage cubbies. Enhance your home theater experience with integrated Bluetooth speakers, theater lighting, wireless charging pads, USB ports, and reading lamps, making the Orion II Collection an unparalleled blend of style, comfort, and functionality.

- **Exceptional Durability:** Interior frames are expertly crafted using a combination of premium hardwoods and high-quality manufactured wood, ensuring unmatched strength and longevity.
- **Soft, Breathable Fabric:** The luxurious black upholstery is crafted from 80% polyester and 20% synthetic leather, providing a supple feel and a comfortable seat.
- **Effortless Reclining:** Premium reclining mechanisms are designed to support up to 350 pounds, ensuring you can effortlessly lay back and relax in your favorite position.
- **Plush Seating:** Experience unparalleled comfort with high-density foam and pocket coil cushions wrapped in Dacron polyester. This combination ensures both support and luxury, making every seat feel indulgently soft yet perfectly supportive.
- **Expert Tailoring:** The sleek design is enhanced by white contrast stitching, highlighting the distinctive diamond pattern on the seats and arms. Plush-wrapped headrests and track arms add an extra touch of luxury and comfort.
- **Style and Convenience:** The contemporary design features lift-up pillowed arms that reveal convenient storage compartments. The sofa’s center back cushion folds down to provide access to two cupholders and a snack tray, while the loveseat’s center console offers additional convenience with a storage cubby and two silver drink holders. This combination of style and practical functionality ensures a seamless blend of form and function.
- **Movie Theater Experience:** Enhance your home cinema setup with theater lighting accenting the base of both the sectional sofa and loveseat. Enjoy immersive stereo sound with Bluetooth speakers, and make use of the wireless charging pads and convenient USB charging ports to keep your devices powered up. Additional features include reading lamps under the center sofa headrest and a drop-down center back cushion that houses two wireless charging pads.
