

Elegant & Sophisticated Pure Sound.

Denon's Music Maniac™ On-Ear Headphones are elegant and sophisticated, and provide an audiophile-grade listening experience from a smaller on-ear form factor. Featuring 40mm drivers and tuned to a flat EQ, these headphones deliver superior sound quality no matter what you're listening to. Denon's patent-pending pentagonally-shaped memory foam ear pads and adjustable headband provide superior comfort, while our 2-axis ear cup design allows for 360-degree articulation for a perfect fit for long listening periods. The detachable non-tangle cable includes an in-line remote (for control of Apple® iPod®, iPhone®, and iPad™) and microphone for clear phone conversations when you are on the go. Further enhance your listening experience by downloading the Denon Audio app, available for Apple® iPhone®, iPad™, and Android® smartphones.

Denon Headphones Sound Like You, Fit Like You, and Move Like You.

Denon Headphones are engineered from the ground up to provide the best-in-class personal listening experience for your lifestyle. Denon's line of Music Maniac™ headphones are designed for trendy music enthusiasts that like an accentuated bass curve, providing an experience that Sounds like You™, Fits Like You, and Moves Like You, so you can feel the music like never before.
