PRODUCT DESCRIPTION

Catering to your contemporary lifestyle, this ottoman is a handsome marriage of masculine and feminine sensibilities. A plush top softens the look of its chunky, linear silhouette. The ottoman's warmly hued combination of leather and faux leather upholstery levels up the affordable luxury. It's a chic accompaniment to a chair, acting as a perfect perch for tired feet and decorative trays alike. Urban sophistication has never been more versatile.

- Corner-blocked frame
- Firmly cushioned
- Feather-fiber blend cushion
- 100% top grain leather covers the cushion top; skillfully matched faux leather covers the remaining areas
- Due to its natural origin, real leather can show individual characteristics such as healed scars, growth marks, grain variation and shade variation
- Natural variations make each hide unique and do not detract from the wearing qualities of leather
- Non-skid legs

- Minor assembly (simply attach legs)
