## Nori Table Lamp Flecked White

Nori brings softness to the spotlight. Fully wrapped in a textured, tonal fabric—from its rounded base to its angled shade—it's a study in minimal design with maximum feel. The flecked neutral weave adds just enough dimension to keep things interesting, while the compact shape makes it easy to style just about anywhere. Think of it as the finishing touch that pulls a room together—quiet, tactile, and confidently low-key.

- Fully Upholstered: Upholstered in a textured, woven fabric that creates a tactile quality, adding depth and visual interest. The fabric-wrapped base and matching shade seamlessly blend, resulting in a harmonious, tonal appearance.
