HADLEIGH CHINA CABINET - COMPLETE

We can't think of a style that is more timeless than the classical look of Hadleigh. More refined than ever and crafted from Wild Black Cherry this collection retains the nuanced detail of fine 18th century design without the more ornate Queen Anne elements. This updated refresh makes this perfect for a more modern approach to the classical style. Key elements include dental moldings below the crown, wood fretwork on the doors, and a cream interior that contrasts beautifully with the solid cherry. The package shown here includes the china base and china deck. Note: the Hadleigh China Base has a finished top and can be used without the deck.

- Deck features three tempered glass shelves with plate grooves, two doors, two can lights with touch dimmers, curio ends.
- Base features two doors, two interior drawers, silverware insert in top left drawer, ajustable shelf and ajustable levelers
