NOTES

Transitional style with fashionable flare arms and seam details

Backrest and seat have heat and air massage functions that are adjustable with the hand wand control

Bucket seat cushion cradles you in for lasting seat comfort

Gently rocks when not reclined and has safety locks to prevent rocking when reclined

Customize your comfort with a hand wand control that independently adjusts the headrest, lumbar support and recline

Zero Gravity recline puts you in the ideal position that reduces pressure and gives you a feeling of weightlessness

Hand wand control can be placed on either side of the recliner to accommodate your dominant hand

The power control includes a USB-A port for convenient charging

Built to last with our patented Blue Steel Spring™ seat system—sturdy steel ribbons attached to flexible coils that offer a wide range of motion and durability

Upholstered in two color choices of a premium, leather-looking fabric

Removable back for easy moving throughout the home
