

# Another Round Bar Stool

Caracole

This tall, modern bar stool invites you to linger over coffee and mimosas at the breakfast counter. Its curved, wooden outback is finished in glowing Moonstone, perfectly poised on rounded, tapered legs painted in Almond White. The seat is upholstered in an Ivory shimmer woven fabric. A metal hoop in Champagne Gold, set at just the right height for getting in and out, adds shimmer and gives leverage to swivel with ease. Pairs well with elevated desks and workstations.
