Product Cubic Feet : 11.83

Features

The acacia tree is adaptable and grows in various climates, making acacia wood a sustainable hardwood choice.  
The wood grain is medium to coarse with straight to wavy patterns.  
A rich brown finish accents the natural wood grain and black hardware.  
Finished by hand, using a multi-step process that highlights the wood’s natural grain.  
Drawers with side mounted metal glides.  
Floor protectors under the legs to protect surfaces.  
Two spacious drawers offer ample bedside storage.
