

Petite Square Bench, Greek Key

CH233 CG

Availability: In Stock

DESCRIPTION

When the courtiers gathered in the palaces of the French kings, the afternoons and evenings were whiled away with harp music wafting through the air. Can you imagine a better setting for our Petite Square bench (other than your own home, of course)? With a wood frame inspired by a neoclassic design in a vintage gold finish, this is such a versatile piece of furniture given how easily it can be moved around and the fact that we offer it in three different upholstery options: with a creamy tone-on-tone Greek Key motif, a bold leopard velvet and a lush smoke velvet.
