*** dimension with a minimum clearance of 1 3/4" (45) on the back

ELECTRICAL AND WATER CONNECTIONS

A properly-grounded, horizontally-mounted electrical receptacle should be installed according to this drawing

To connect to the water supply system, use the provided 1/4" water hose and 1/4" compression fitting nut. Provide for an accessible shut-off valve. Water hose is 59" (1500) long.

TOP VIEW

Connection(s) placement within the opening may require additional cabinet depth.
