## NOTES

High-resiliency and memory foam zoned comfort in the backrest and seat provides additional support and pressure point relief for your back, shoulders and seat

Removable Technogel head pillow provides innovative cooling comfort

Customize your comfort with a hand wand control that adjusts the headrest, lumbar support, recline and lift assistance independently

Zero Gravity recline puts you in the ideal position that reduces pressure and gives you a feeling of weightlessness

The hand wand has two memory programs for watching TV and sleeping, which can also be reprogrammed to a position of your choice

Hand wand control can be placed on either side of the recliner to accommodate your dominant hand

Two side pockets on each side of the recliner provide ample space for storing magazines, remotes and more

LED motion-sensing base lighting turns on when you approach or get out of the recliner, and can be adjusted in brightness and color in the MyRecline app

User-friendly MyRecline app technology allows you full control of your Zecliner's functions easily from your phone

Built to last with our patented Flexsteel DualFlex Spring System—sturdy steel ribbons attached to flexible coils that offer a wide range of motion and durability

The light gray performance fabric that is durable and easy to clean, and has superior resistance to moisture penetration

A USB charging port is included in the hand wand for convenient charging

24" contoured seat with a wide waterfall chaise cradles you in and provides room for spacious sleep or recovery

Heavy thread stitching for a bold look

Removable back for easy moving throughout the home
