

EMMELINE

DRESSER | FOA7147WH-D

DETAILS:

The enticing combination of glamour and Art Deco has long been attempted, but rarely with such successful results as achieved with this dresser. It is a visual masterpiece, harkening to the days of Old Hollywood while establishing a rich, dynamic concept for the bedroom. The jewel-carved faux glass feet support the components with regal authority. Classic embossed patterns tie the set together in one magnificent and highly desirable theme.
