

T754CW

Product: Tumble dryer
Mode of installation: Stacked or side by side
Capacity: 3.9 cu.ft.
Number of programs: 6
Energy class: B

Options

Anti crease
Time saver
Low temperature
Delayed Start: 1-24 hours

Construction

Butterfly drying system
Long lasting stainless steel drum
Triple ball bearings
Durable brushless induction motor

Comfort & safety

SensiDry™ - stops when load is dry
KidSafe™
Double Easy Clean lint filter
Signal for "full water container"
Remaining time display
Program end indicator

Dimensions and installation

Height: 33 3/8 (848 mm)
Width: 23 1/2 (597 mm)
Depth: 23 7/8 (606 mm)
Length electrical cord: 82 11/16 (2100 mm)
Weight net: 97 lbs
Weight gross: 101 lbs

Technical information

Connection rating: 2800 W
Current: 12 A
Drum volume: 112 l
Display type: LCD display

Consumption

Noise level: 69 dB(A)re 1 pW
