

Anthology Kg Bed

Caracole

A storied collective of material and form, this classic bed introduces a calming neutral palette that is warm and inviting. Framed in Koto veneers with a subtle Chevron pattern inspired by early Greek motifs, its parsons-style headboard is dressed in a wool-like flannel that is soft yet durable and capped on all three sides in glinting Brushed Gold metal. Seemingly floating on a Brushed Gold plinth base, its sophisticated silhouette brings effortless elegance to bedroom interiors and guest suites. Also available with paneled, chevron-patterned headboard wings for added drama.
