MOE'S

Martens Dining Bench Camel

Looks light, sits like a favorite spot. Martens pairs an open barrel back with a continuous curve from leg to frame, so the silhouette stays airy even at a busy table. Camel polyester upholstery wraps generous foam over plywood, delivering comfort that doesn't ask you to rush. An iron frame and subtle armrests keep the profile neat and grounded. Slide it in, slide it out—there's room for two or three, and conversation flows with ease.

- Open Barrel Back: Airy barrel-style back and continuous curved frame create a clean outline that reads light, without leaving the seat feeling exposed.
- Soft Polyester Cover: Camel 100% polyester upholstery offers an easygoing look, layered over foam and plywood for a comfortable, supportive sit day after day.
- Iron Frame Support: A slim iron frame and integrated arms hold everything steady, while the open back keeps visual weight to a minimum.
- Seats Two Or Three: Cushioned seating and arm support make it a natural fit for shared meals, extra guests, or entryway moments when needed.

Item Code	YM-1032-21
Swatch Code	SWYM-CAMEL2
Country Of Origin	CHINA
Product Materials	Upholstery: 100% Polyester, Frame: Iron, Seat Construction: Plywood, Seat Fill: Foam
General Dimensions	55.0" W X 22.6" D X 31.9" H
