

SKSCH3001S

30-inch Chimney Wall Hood

SKS

Sleek Low-Profile Design

Add a sleek, modern look to your kitchen with this Chimney style hood design, perfect for use over most 30" and 36" cooktops and ranges.

Dual Level LED Lighting and Adjustable Blower Speeds

Clearly see the food being prepared with LED lighting and five blower speeds that provides a wide range of CFMs from 200-600 CFM to meet local requirements, without compromising power or design.

Easy-to-Clean Mesh Filters

Effectively remove smoke and odors with the dishwasher safe mesh filter. After 30-hours of use, the filter clean reminder will activate, ensuring filters are always performing at their best.

Wi-Fi Enabled for Connectivity

Connect the hood and cooktop for automatic communication with each other so the fans and burners are synchronized. Utilize the ThinQ® App to monitor and control air movement, operate the LED lights and turn the hood on and off.

VMAX CFM™ Technology

VMAX CFM™ Technology (Variable Maximum) provides a wide range of maximum CFMs – from 290 through 600 CFM – to meet local requirements, without having to compromise power or design.

Innovation

Wi-Fi Enabled for ThinQ® Control with iPhone / Android App	Yes
Remote Operations	Yes

Performance Features

Internal Blower (Included)	200-600 CFM, 1-6 Sones
Speed Levels	5
