

## HIROKI ACCENT TABLE

BC-1094-18

When less is more. Beyond minimalism, there is “MA,” an ever-present concept intrinsically woven into all aspects of Japanese daily life. MA is like a holder within which things can exist, stand out, and hold their meaning. It is the actual emptiness that becomes full of possibilities. With a deliberate beginning and a purposeful end, Hiroki holds to this ethos stylized as an accent table rooted in nature. Zen, this table is fluent in itself, sitting shallow to the wall in 100% semi-gloss white oak.
