TUSCANY

## ITALIAN BORN. AMERICAN RAISED.

The Viking Tuscany Collection adds a timeless sophistication and warm elegance to your kitchen. Infused with the finest materials and unmatched craftsmanship, each range is the undeniable centerpiece that will transform your kitchen into a masterpiece of luxury and refinement.

### HIGH PERFORMANCE BURNERS

High performance burners provide fast boil times and a gentle simmer with 20,000 BTU–8,500 BTU.

### CHROME GRIDDLE

Constructed of machined steel with a chrome finish, the griddle is uniquely designed to offer excellent cooking performance as well as easy clean up.

### INDUCTION ELEMENTS

Engineered for precision and efficiency, MagneQuick™ Induction Elements heat cookware delivering fast response, precise control, and a cooler cooktop surface for added safety and ease.

## TUSCAN HERITAGE

In the storied town of Scandicci, where craftsmanship has been honed for centuries, Viking Tuscany ranges were designed to embody the spirit and tradition of Italian artistry. Masterfully refined and perfected in the United States, each range blends the charm of Italian Provençal design with the functionality needed for American kitchens. Marrying timeless elegance with uncompromising quality, Viking Tuscany ranges are the epitome of sophistication in any home.
